SECTION B: TERMS AND CONDITIONS OF SERVICE

3 MAKING AN ORDER AND CONTRACT FORMATION

Quick Summary

These terms and conditions will be legally binding (which means that we are making promises to each other about the Mooring Services and how you are permitted to use those services) when we send you our Contract Invoices Schedule.

- 3.1 **Our Estimate.** If you express an interest in purchasing the Mooring Services by emailing us, calling us, or visiting us in person, you may receive our Estimate. However, please note that this Estimate simply expresses our willingness to discuss supplying you with the Mooring Services. It is not an offer and cannot be accepted so as to form a binding contract.
- 3.2 **Making an Order.** You place an Order when you reply to our Estimate by email, by post, or in person at the marina confirming our Estimate.
- 3.3 **How we will accept your Order.** Our acceptance of your Order will take place when we email you our Contract Invoices Schedule, at which point a contract between you and us will come into existence.
- 3.4 **If we cannot accept your Order.** If we are unable to accept your Order, we will inform you of this in writing and will not charge you for the Mooring Services. This might be because of unexpected limits on our resources which we could not reasonably plan for, because a credit reference we have obtained for you does not meet our minimum requirements, because we have identified an error in the price or description of the Mooring Services, because we are unable to perform the Mooring Services on the date you have specified. or because we are already providing you or your Partner with the Mooring Services in respect of another vessel in the same AQUAVISTA marina.
- 3.5 **Your customer number.** We will assign to you a customer number and tell you what it is when we provide our Estimate. It will help us if you can tell us your customer number whenever you contact us about the Mooring Services.
- 3.6 **We only sell to the UK.** Our Mooring Services are only available in the UK, at marinas listed on our website or in our brochure.
- 3.7 **Limit on the Mooring Services.** You and your Partner are limited to purchasing the Mooring Services in respect of one vessel in total per AQUAVISTA marina. If you would like to purchase Mooring Services in respect of more than one vessel in the same AQUAVISTA marina, please contact us to discuss our commercial terms.

We will let you know if the change is possible. If it is possible we will let you know about any changes to the price of the Mooring Services, the timing of supply or anything else which would be necessary as a result of your requested change and ask you to confirm whether you wish to go ahead with the change. If we cannot make the change or the consequences of making the change are unacceptable to you, you may want to cancel the contract (see clause 10.6 Your rights to cancel the contract).

8 PROMOTIONAL DISCOUNTS AND OFFERS

- 8.1 From time to time we may offer promotional discounts and offers on the Mooring Services. All promotions are subject to separate terms and conditions.

9 PROVIDING THE MOORING SERVICES

Quick Summary

Your contract will continue for a minimum period of time (the Minimum Term). This Minimum Term is 12 months from when we start providing the Mooring Services.

Once the Minimum Term ends, your contract will end, unless you choose to renew it or stay on Berth. We may not offer you a renewal contract, in which case we will notify you in advance of your contract end date. If you stay on Berth, and we have not advised you in advance that we will not be renewing your contract, we will continue providing you with the Mooring Services at our then current prices for another minimum period of time (i.e. another 12 months). **This means your contract will renew automatically for another 12 months if you don't move your boat.**

We won't be liable for delays beyond our reasonable control so long as we take certain steps.

We might have to charge you more money or cancel your contract if you don't provide us with certain access and information. Also, we may suspend the Mooring Services in certain circumstances, including if you do not pay.

- 9.1 **When we will provide the Mooring Services.** During the onboarding process we will let you know when we expect to start providing the Mooring Services to you. We will confirm this date in our Contract Invoices Schedule.
- 9.2 **When your contract with us will end and when it may continue.** Your contract for Mooring Services will end on the date set out in the Contract Invoices Schedule (“**Minimum Term**”). We will notify you before the end of the Minimum Term to let you know the Mooring Services we provide to you will be ending soon. We will let you know if there are any circumstances causing us not to offer you a renewal contract. If we have invited you to renew your contract, you may renew your contract with us at that time, should you wish to, on our then current terms and conditions and at our then current prices for an available period of your choice. However, we are not obliged to renew your contract. **If however your vessel continues to be on the Berth after the Minimum Term this will be taken as confirmation that you wish for us to continue to provide the Mooring Services for an additional Minimum Term (“Additional Term”) and that we can continue to take your direct debit payment for the Mooring Services.** If we have written to you to advise that we will not offer you a renewal contract and your vessel continues to be on the Berth after the Minimum Term, this will be taken as trespass and we will follow our process as set out in clauses 12.5, 12.6 and 12.7. Our then current terms and conditions for Mooring Services (Annual – Pay Annually) and our then current prices, which we will notify to you at the time, will apply to the provision of the Mooring Services if you choose to berth your vessel during any Additional Term.
- 9.3 **We are not responsible for delays outside our control.** If our supply of the Mooring Services is delayed by an event outside our control then we will contact you as soon as possible to let you know and we will take steps to minimise the effect of the delay. Provided we do this we will not be liable for delays caused by the event, but if there is a risk of substantial delay you may contact us to end the contract and receive a refund for any Mooring Services you have paid for but not received.
- 9.4 **If you do not allow us access to provide the Mooring Services.** If you do not allow us access to your vessel to perform any of the Mooring Services as arranged (and you do not have a good reason for this) we may charge you additional costs incurred by us as a result. If, despite our reasonable efforts, we are unable to contact you or re-arrange access to your vessel we may cancel the contract and clause 12.2 will apply.
- 9.5 **What will happen if you do not give required information to us.** We may need certain information from you so that we can supply the Mooring Services to you, for example, the length of your vessel, any boat safety certificates, craft licence certificates and insurance for the vessel. If so, this will have been stated in the description of the Mooring Services on our website and/or brochure. We will contact you to ask for this information. If you do not give us this information within a reasonable time of us asking for it, or if you give us incomplete or incorrect information, we may either end the contract (and clause 12.2 will apply) or make an additional charge of a reasonable sum to compensate us for any extra work that is required as a result. We will not be responsible for supplying the Mooring Services late or not supplying any part of them if this is caused by you not giving us the information we need within a reasonable time of us asking for it.
- 9.6 **Reasons we may suspend the supply of Mooring Services to you.** We may have to suspend the supply of the Mooring Services to:

- 9.6.1 deal with technical problems or undertake maintenance of the mooring;
- 9.6.2 update the Mooring Services to reflect changes in relevant laws and regulatory requirements; or
- 9.6.3 make changes to the Mooring Services as requested by you or notified by us to you (see clause 7).
- 9.7 **Your rights if we suspend the supply of Mooring Services.** We will contact you in advance to tell you we will be suspending supply of the Mooring Services unless the problem is urgent or an emergency. If we have to suspend the Mooring Services for longer than **30 days** in any **3 month period** we will adjust the price so that you do not pay for the Mooring Services while they are suspended. You may contact us to end the contract for the Mooring Services if we suspend it, or tell you we are going to suspend it, in each case for a period of more than **60 days** and we will refund any sums you have paid in advance for the Mooring Services in respect of the period after you end the contract.
- 9.8 **We may also suspend supply of the Mooring Services if you do not pay.** If you do not pay us for the Mooring Services or pay the Advance Payment when you are supposed to (see clause 14.10) and you still do not make payment within 14 days of us reminding you that payment is due, we may suspend supply of the Mooring Services until you have paid us the outstanding amounts. We will contact you to tell you we are suspending supply of the Mooring Services. We will not suspend the Mooring Services where you dispute the unpaid invoice (see clause 14.12). We will not charge you for the Mooring Services during the period for which they are suspended. As well as suspending the Mooring Services we can also charge you interest on your overdue payments (see clause 14.11).

10 YOUR RIGHTS TO END THE CONTRACT

Quick Summary

If you have bought the Mooring Services by exchange of email or by telephone, you have the right to cancel those services within your 14 day cooling-off period, unless you already occupy the Berth. You can cancel during this time and receive a refund. Your cooling-off period will begin from the date we send you our Contract Invoices Schedule.

You can end your contract (without reason) at any time by giving us at least 3 months' notice, but, if you do, your contract will not end until the Minimum Term (or the Additional Term) is over. For example, if your contract started on 1 April and you tell us on 1 December that you would like to end your contract, your contract will still end on 31 March of the following year.

Also, you can end your contract immediately because of certain things that we have done or are going to do, including where we have done something wrong.

14 day right to change your mind (Consumer Contracts Regulations 2013)

- 10.1 **Exercising your right to change your mind.** For the Mooring Services bought at a distance (e.g. by exchange of emails) you have a legal right to change your mind within 14 days and receive a refund.
- 10.2 **How long do I have to change my mind?** You have 14 days after the day we email you to confirm we accept your Order, i.e. 14 days after the day we send you our Contract Invoices Schedule. However, if you occupy the Berth during the 14 days (in which case we will have

started to provide the Mooring Services) you must pay us for the Mooring Services we have provided up until the time you tell us that you have changed your mind. For example, if you cancel on day 10 of the 14 days, you will have to pay for the 10 days in which you have received the Mooring Services. If you wish to change your mind after the 14 days please see clauses 10.4 and 10.5 below.

- 10.3 **When you don't have the right to change your mind.** You do not have a right to change your mind in respect of the Mooring Services once you occupy the Berth, even if the cancellation period is still running.

Ending the contract where we are not at fault and where the 14 day right to change your mind does not apply or has expired

- 10.4 **Ending the contract where we are not at fault and it is after the 14 day cooling off period.** If we are not at fault and you do not have a right to change your mind (see clause 10.3), you can end the contract by providing us with 3 complete months' written notice (but see clause 10.5. Please contact us in writing to let us know.

- 10.5 **When the contract will end.** If we receive your written notice to end the contract in accordance with clause 10.4, the contract will end either:

10.5.1 when the Minimum Term is over; or,

10.5.2 if your vessel continued to be on the Berth after the Minimum Term (see clause 9.2), when the then current Additional Term is over.

You will have to continue to pay charges during the remainder of the Minimum Term or Additional Term and we will have to continue to provide the Mooring Services during the remainder of the Minimum Term or Additional Term. The contract will be completed when we have finished providing the Mooring Services and you have paid for them.

Ending the contract because of something we have done or are going to do

- 10.6 **Ending the contract because of something we have done or are going to do.** If you are ending a contract for a reason set out in clauses 10.6.1 to 10.6.5 the contract will end immediately and we will refund you in full for any part of the Mooring Services which have not been provided and you may also be entitled to compensation. The reasons are:

10.6.1 we have told you about an upcoming change to the Mooring Services or these terms and conditions which you do not agree to (see clause 7.1);

10.6.2 we have told you about an error in the price or description of the Mooring Services advised to you in our Estimate and you do not wish to proceed;

10.6.3 there is a risk that supply of the Mooring Services may be significantly delayed because of events outside our control;

10.6.4 we have suspended supply of the Mooring Services for technical reasons, or notify you we are going to suspend them for technical reasons, in each case for a period of more than **60 days**; or

10.6.5 you have a legal right to end the contract because of something we have done wrong.

The amount will be in proportion to what has been supplied, in comparison with the full coverage of the contract.

11.4 **When your refund will be made.** We will make any refunds due to you as soon as possible. If you are exercising your right to change your mind then your refund will be made within 14 days of your telling us you have changed your mind.

12 OUR RIGHTS TO END THE CONTRACT

Quick Summary

We can end your contract if you don't pay us on time, if you don't provide us with certain access and information, if you don't comply with certain obligations, or if you behave badly. You may have to pay us compensation if we end your contract for these reasons.

We may end the contract at any time and for any reason by providing you with 6 complete months' written notice.

Also, we may take possession of your boat or other property, or even sell your boat if you owe us money.

12.1 We may end the contract if you break it. We may end the contract for Mooring Services at any time by providing you with at least 30 full days' written notice if:

12.1.1 you do not make any payment to us when it is due and you still do not make payment within 14 days of us reminding you that payment is due;

12.1.2 you do not, within a reasonable time of us asking for it, provide us with information that is necessary for us to provide the Mooring Services, for example, the length of your vessel;

12.1.3 you do not, within a reasonable time, allow us to deliver the Mooring Services to you;

12.1.4 you do not, within a reasonable time, allow us access to your vessel to supply the services;

12.1.5 you do not comply with the terms of the licence agreement or your obligations set out in Section C; or

12.1.6 you behave in a manner which amounts to serious misconduct (including but not limited to any criminal offence) or conduct yourself in a way that may reasonably be expected to damage the reputation of AQUAVISTA.

You will have to continue to pay charges during this notice period. We may also end the contract for Mooring Services immediately on providing you with written notice where there are serious grounds for doing so (including but not limited to anti-social behaviour or abuse).

12.2 You must compensate us if you break the contract. If we end the contract in the situations set out in clause 12.1 we will refund any money you have paid in advance for the Mooring Services we have not provided but we may deduct or charge you reasonable compensation for the net costs we will incur as a result of you breaking the contract.

12.3 Our right to terminate the contract. We may end the contract for Mooring Services at any time and for any reason by providing you with 6 complete months' written notice. An example of when this situation may occur includes if we wish to use the Marina for a different purpose.

12.5.2 sell the vessel and / or other property belonging to you held at the marina.

12.6 Our right to exercise a general lien.

We reserve the right to exercise a general lien* upon any boat and/or other property belonging to you whilst at the marina until such time as any money owed to us by you is paid.

We will write to you in advance of any lien* and specify a fixed period during which it shall be applied.

If the lien* remains unsatisfied and payment has not been received within the specified period, we will exercise our right of sale.

*"Lien" means a right which entitles us to take possession of your boat or other property, if you have not paid money that we are entitled to receive from you in relation to the boat or other property.

12.7 **Our right of sale**

You must pay all invoices for moorings and services that we provide to you. Should you fail to make payment, we ultimately reserve the right to sell your boat or other property left at the marina.

12.7.1 Boats and vehicles left at the marina are subject to the Torts (Interference with Goods) Act 1977 which confers on us a right of sale of those boats and vehicles.

12.7.3 Any costs involved in any legal action will be recovered from you.

13.1 **How to tell us about problems.** If you have any questions or complaints about the Mooring Services, please contact our customer support team on the details at the beginning of these terms and conditions. Alternatively, please speak to one of our staff at the marina. AQUAVISTA also has a formal procedure for making complaints. Please see 'Customer Charter' at www.AQUAVISTA.com for more information.

13.2 **Summary of your legal rights.** We are under a legal duty to supply the Mooring Services that are in conformity with this contract. You are also entitled to certain key legal rights in respect of the Mooring Services. For detailed information of these rights please visit the Citizens Advice website www.adviceguide.org.uk or call 03454 04 05 06. Nothing in these terms and conditions will affect your legal rights.

Quick Summary

You'll receive a single invoice for the Mooring Services, which you must pay upfront. If you do not pay this invoice on time, you may need to pay interest.

The price for the Mooring Services is set out in our Contract Invoices Schedule. Certain things, like council tax and electricity, aren't included in this price.

You'll need to make a prepayment (**Advance Payment**) before we start providing the Mooring Services. This Advance Payment is, typically, 10% of the total price payable for the Mooring Services under the contract. For example, if our Contract Invoices Schedule says that you will pay us £1,200 for 12 months' Mooring Services, you will, typically, need to make an Advance Payment of £120.

So long as you don't owe us any other payments, we'll use the Advance Payment to settle your invoice at the end of the Minimum Term.

14.1 Advance Payment

14.1.1 Payment of the Advance Payment. You will pay us the Advance Payment immediately following your acceptance of our estimate and in advance of us raising your Order, i.e. before receipt of our Contract Invoices Schedule, and, in any event, before we start providing you with the Mooring Services. We will provide you with a receipted Advance Payment Invoice at the time of receiving your payment.

14.1.2 Amount and use of the Advance Payment. The Advance Payment shall, typically, be 10% of the total price for the Mooring Services, as indicated to you in our Estimate and confirmed in our Contract Invoices Schedule. We will place the Advance Payment in a separate 'customer' account and only use the Advance Payment as set out in this clause 14.1.2. We require the Advance Payment in case you do not make any payment for the Mooring Services or any other services. If you fail to make any payment for the Mooring Services or any other services when due and you still do not make payment within 14 days of us reminding you that payment is due, we will have the right to use the Advance Payment to pay the amount you owe us for the Mooring Services or the other services. Provided we have not used the Advance Payment as otherwise permitted in this clause 14.1.2, we may use the Advance Payment (or balance of the Advance Payment) to pay (in part or in full) any amount you may owe us against the Contract Invoices Schedule. We will not use the Advance Payment to satisfy any payment you may owe us where you genuinely dispute that such payment is due and you have notified us in writing that you dispute that such payment is due, setting out substantial reasons.

14.1.3 Refund of the Advance Payment. Provided you have made all payments due for the Mooring Services (and any other services), we will refund the Advance Payment in full if:

- a) you change your mind within the 14 day cooling off period (see clause 10.1);
- b) you end the contract because of something we have done or are going to do (see clause 10.6);

- c) you end the contract where we are not at fault and it is after the 14 day cooling off period (see clause 10.4), or if you break the contract for any reason other than non-payment; or
- d) we end the contract for any reason other than non-payment (see clause 12.1).

14.2 **Where to find the price for the Mooring Services.** The price of the Mooring Services (which includes VAT) will be the price indicated to you in our Estimate and confirmed in our Contract Invoices Schedule. We take all reasonable care to ensure that the price of the Mooring Services advised to you in our Estimate (or otherwise indicated to you) is correct. However please see clause 14.9 for what happens if we discover an error in the price of the Mooring Services advised to you in our Estimate.

14.3 **How we calculate the price for the Mooring Services.** The price for Mooring Services are calculated by considering either:

14.3.1 the length of your vessel (taking into account bowsprit or stern fittings, bathing platforms, out-drives or transom hung ladders and stern mounted dinghies). The minimum price starts from the price of a vessel measuring 6.4 metres; or

14.3.2 our current rates for the Berth where you wish to moor your vessel.

14.4 **Widebeam Additional Charges.** We may charge you extra if your vessel occupies the water space of more than one Standard Berth ("**Widebeam Additional Charge**"). The Widebeam Additional Charge represents a minimum of an additional 10% of our standard pricing to a maximum of 100%. The maximum Widebeam Additional Charge will be payable where a vessel occupies the equivalent of the width of 2 Standard Berths.

14.5 **What the price includes.** The total price is inclusive of: berthing charges, potable water, waste disposal, marina facilities (toilets and showers) and chemical toilet.

14.6 **What the price does not include.** The total price does not include:

14.6.1 Residential Mooring council tax charges. If you have chosen the composite council tax option, you will not be charged any council tax contributions as this will be payable by AQUAVISTA for Residential Moorings. If you have chosen the individual council tax option, you will be charged directly by the local Council Office; and

14.6.2 car parking in some locations, pump out, launderette, internet connection, electricity service charge, and electricity units supplied. These are provided at an additional charge which we will indicate to you over the telephone, by email or in writing.

14.7 **Provision of electricity.** Where an electrical supply is available at an extra charge, it is guaranteed to be at a minimum load of 8 amps to 32 amps maximum. Should you not pay the electricity charges due to us (if any) within 30 days of issue of an invoice, we may issue you with a disconnection notice. If payment is still outstanding 7 days after issue of the disconnection notice, we may disconnect the supply of electricity to your vessel without further notice to you.

14.8 **We will pass on changes in the rate of VAT.** If the rate of VAT changes between the date of our Contract Invoices Schedule and the date we supply the Mooring Services, we will adjust the rate of VAT that you pay, unless you have already paid for the Mooring Services in full before the change in the rate of VAT takes effect.

14.9 **What happens if we got the price wrong.** It is always possible that, despite our best efforts, some of the Mooring Services we sell or the Advance Payment may be incorrectly priced. We will normally check prices before accepting your Order so that, where the Mooring Services or the Advance Payment correct price at the date of our Contract Invoices Schedule is less than the price stated in our Estimate, we will charge the lower amount. If the Mooring Services or the Advance Payment correct price at the date of our Contract Invoices Schedule is higher than the price stated in our Estimate, we will contact you for your instructions before we accept your Order. If we accept and process your Order where a pricing error is obvious and unmistakable and could reasonably have been recognised by you as a mispricing, we may end the contract and refund you any sums you have paid.

14.10 **When you must pay and how you must pay.**

14.10.1 **Payment for the Mooring Services.** We will invoice you once we have accepted your Order by sending you our Contract Invoices Schedule. Typically, the amount of this invoice will be equivalent to 90% of the total price for the Mooring Services (as indicated to you in our Estimate and confirmed in our Contract Invoices Schedule). You must pay the invoice in advance of you receiving the Mooring Services.

14.10.2 **Payment of the Advance Payment.** The Advance Payment is payable in accordance with clause 14.1.1.

14.10.3 **How you must pay.** We accept payment for the Mooring Services and of the Advance Payment by cash, credit or debit card or by direct bank transfer.

14.11 **We can charge interest if you pay late.** If you do not make any payment to us by the due date we may charge interest to you on the overdue amount at the rate of 2% a year above the base lending rate of the Bank of England from time to time. This interest shall accrue on a daily basis from the due date until the date of actual payment of the overdue amount, whether before or after judgment. You must pay us interest together with any overdue amount.

14.12 **What to do if you think an invoice is wrong.** If you think our Contract Invoices Schedule is wrong please contact us promptly to let us know. You will not have to pay any interest until the dispute is resolved. Once the dispute is resolved we will charge you interest on correctly invoiced sums from the original due date.

15 COUNCIL TAX FOR RESIDENTIAL MOORING

Quick Summary

Who pays council tax depends on your circumstances. If you are an individual moorer (and, therefore, plan to moor your boat on a single specified Berth for at least 12 months), you will be responsible for paying council tax.

15.1 **Confirming Your Council Tax Options.**

15.1.1 When a Residential Mooring is provided, there is a requirement for council tax to be paid for that residential occupancy.

15.1.2 Should you wish to occupy the Berth exclusively for **more** than 12 months, you shall be considered an individual moorer. AQUAVISTA shall be required to advise the local authority of this exclusive use.

15.1.3 Alternatively, if AQUAVISTA are in receipt of a composite council tax charge for the site, and you notify AQUAVISTA that you will be occupying the Berth for **less** than 12 months, you will be considered a composite moorer. Details of requirements for composite council tax can be found at our website <https://AQUAVISTA.co.uk/council-tax-for-residential-moorings/>.

15.1.4 Where you are mooring your vessel for residential purposes, you shall notify us (via our online form on our website <https://AQUAVISTA.com>).

15.2 **Council Tax Charges.** If you inform us that you are:

15.2.1 an individual moorer (and therefore plan to moor your vessel on a single specified Berth for at least 12 months) the local authority will issue you with an individual rating assessment and you shall be responsible for paying the charges in respect of that council tax to the local authority directly; or

15.2.2 a composite moorer you will **not** need to pay any additional council tax charges for mooring your vessel. This is because the council tax charges for composite moorers are paid by AQUAVISTA directly.

15.3 If you inform us that you are a composite moorer but wish to moor your vessel for over 12 months, you will be required to re-berth your vessel during each 12 month period. This will avoid you becoming an individual moorer and directly responsible for council tax charges to the local authority.

15.4 We reserve the right to recover any charges from you in respect of any charges made against AQUAVISTA by the local authority and/or council in respect of your use of the Berth.

15.5 **Non-exclusivity of Berth.** Unless we allocate to you (at our discretion) a particular Berth for 12 months or more (see clause 0) nothing in these terms and conditions shall entitle you to the exclusive use of any particular Berth.

16 OUR RESPONSIBILITY FOR LOSS OR DAMAGE SUFFERED BY YOU

16.2.3 for breach of your legal rights in relation to the Mooring Services including the right to the Mooring Services being supplied with reasonable skill and care and, where installed by us, correctly installed; and

16.2.4 for defective services under the Consumer Protection Act 1987.

16.3 **When we are liable for damage to your property.** If we are providing Mooring Services in your vessel, we will make good any damage to your property caused by us while doing so. However, we are not responsible for the cost of repairing any pre-existing faults or damage to your property that we discover while providing the Mooring Services.

16.4 **We are not liable for business losses.** We only supply the Mooring Services for domestic and private use.
